Caleb: Hey, dude.
Caleb: Guess what.
me: WHAT
Caleb: I got the sniffles.
Caleb: Oh nose, right?
me: OH NOES
Caleb: How's fascist-land?
Caleb: Or, as I like to call it, fascistonia.
me: You mean Oak Lawn?
Caleb: That'd be the one.
Caleb: No coincidence all the top Nazis were gay.
me: Rommel especially
me: http://en.wikipedia.org/wiki/Gary_Kurtz#Collaboration_with_George_Lucas
Caleb: Goddamnit.
me: Yeah
Caleb: After reading the complete article, I'm gonna side with the Mormon.
me: no way, dude
me: Empire was a failure
me: Even after the financial success of The Empire Strikes Back, Lucas regarded the film as a failure[5].
Caleb: During filming of The Empire Strikes Back[5] George Lucas suffered an apparent panic attack, accusing the filmmakers of ruining his movie. He followed this by taking the existing footage into an editing bay and cut together a fast-paced action version of early scenes, excising plot-oriented content, then showed it to Kurtz and other members of cast and crew, who reacted with laughter
me: I didn't realize I could hate him more
me: http://www.youtube.com/watch?v=ZzgVPB5dpgg
Caleb: You should take a few days off, drink heavily, and watch the prequels over and over again.
me: YEAH
Caleb: Then you'll understand hatred.
Caleb: _Then_ you'll understand...
Caleb: the Dark Side of the Force.
me: I always wondered how the emperor's face got so wrinkled over his hundred year life, maybe the prequels will explain it
Caleb: I'd like to see examples of the emergence of a youthful Anakin Skywalker's prodigious piloting talents.

me: wheeeeeeere's Paaaaadme?
Caleb: Did I send you those links?
me: perhaps
